

Family Getaway

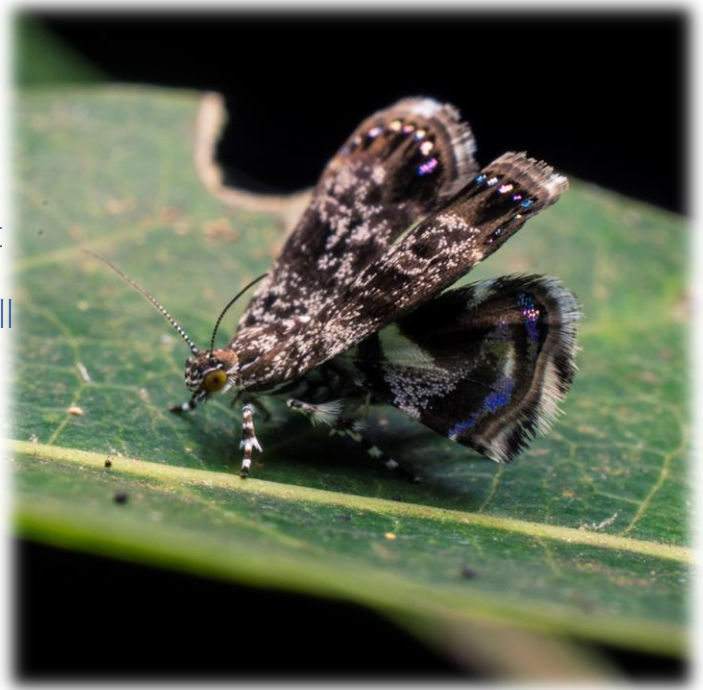

at

Liana Forest Farm

The Experience

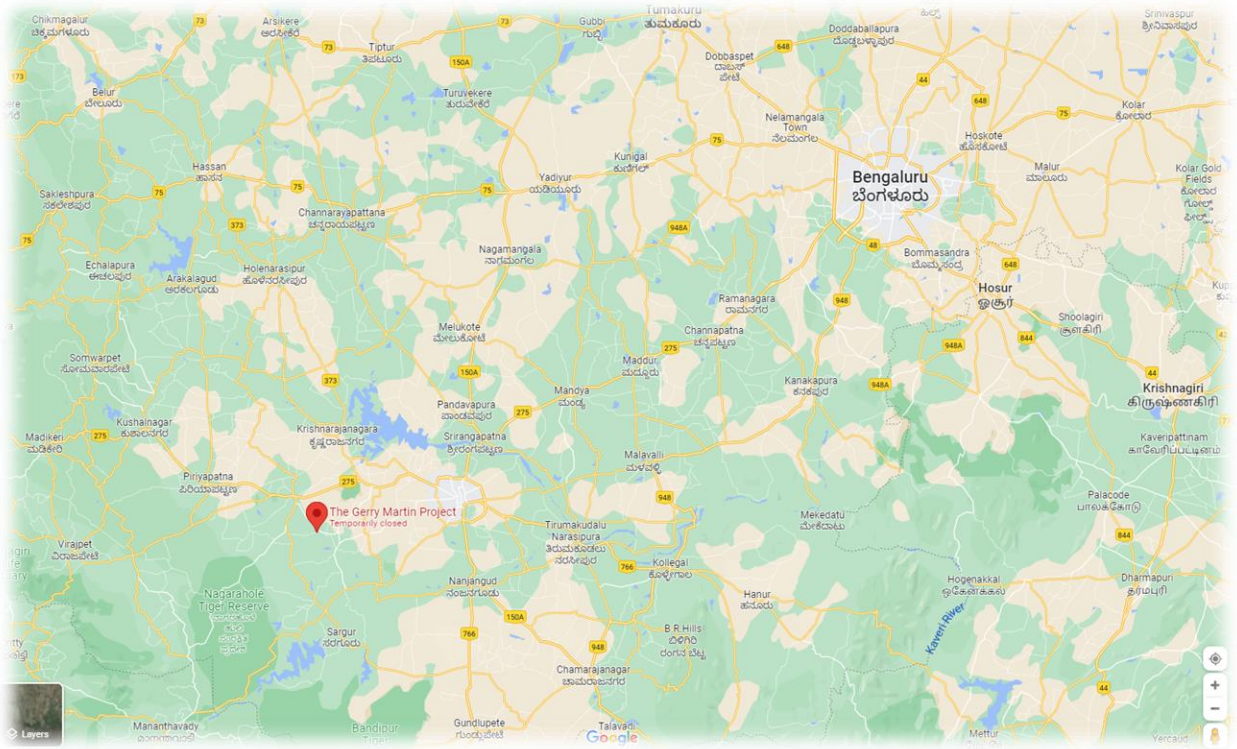

This nature camp is a 3 day / 2 night program that will explore wildlife of all sizes, shapes and colours around the gorgeously wild *Liana Forest Farm*.

Singing birds, busy insects, artistic spiders and patient trees will keep us company through the trip as we explore trails around the property.

To make this an intimate tryst with nature, we have a maximum group size of 10 participants.

The location

Nestled away in Rathnapuri town, the destination is approximately 150 km by road from Bangalore city.

The Liana Forest Farm is home to a stunning diversity of life.

Paradise flycatchers flit around paths while spiders busily repair webs damaged by more insects than we could count.

A serene lake adjoining the farm is home to birds, dragonflies, damselflies and much more...
