

Hosur - May 2022

# The Experience

'Unwind in Nature' is a 3 day / 2 night program designed to soothe the soul and recharge the mind, in the company of butterflies, birds and the summer sun.

We'll spend time in nature exploring the shapes, colours and behaviours of a variety of lifeforms.

Between our nature-themed wandering, we'll ensure plenty of time to rest, relax, read or jump into a very blue swimming pool.

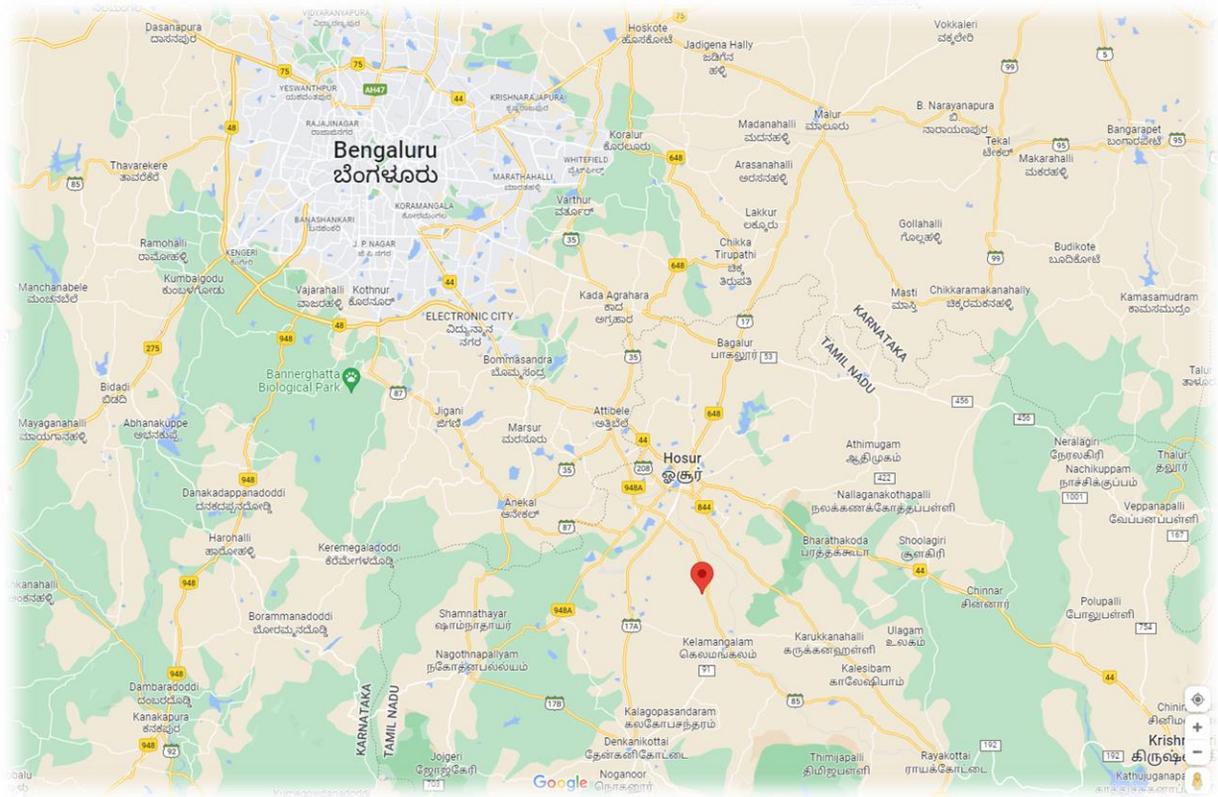

If you're keen on exploring the idea of spending time with nature, this program is an excellent bridge that introduces you to nature while feeling like the vacation you've been craving.

If you're a seasoned outdoorsy traveller and are in the mood for something a bit more relaxed. Come find peace!

*To make this an intimate tryst with nature, we have a maximum group size of 6 participants.*

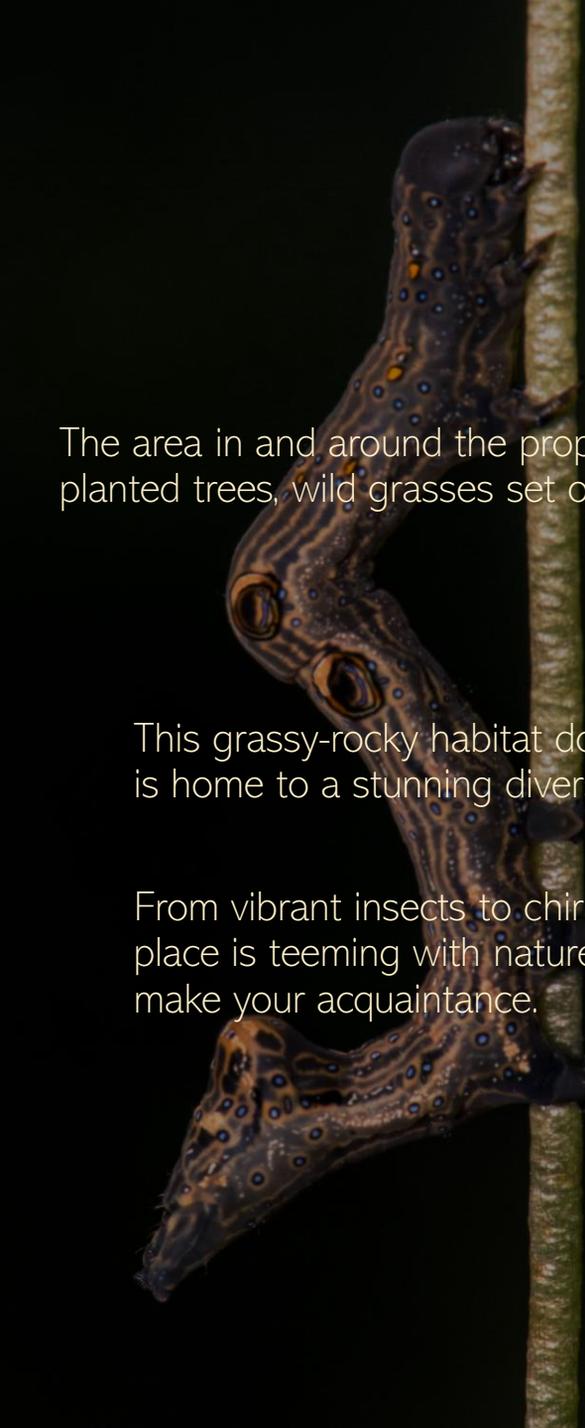

*The minimum group size for this program is 4 participants.*
